

Series "NS/XD/SDX"

FIVE YEAR LIMITED WARRANTY

Goulds Water Technology warrants its submersible Series "NS/XD/SDX" pumps against defects in workmanship and materials for a period of five (5) years from the date of installation, as limited below, provided the unit is installed in conformance with its Installation, Operation and Maintenance manual used to pump domestic waste consisting of non-corrosive liquids and soft solids.

Goulds Water Technology or its authorized service center shall repair or replace any defective material within the first year of the warranty period free of charge F.O.B. Shipping Point, on return of such defective material, transportation charges prepaid. Goulds Water Technology shall supply the following replacement parts at 50% of its published list prices then in effect during the remainder of the warranty period: Impellers, Castings, Mechanical Seals and Motors. All warranty obligations shall expire five (5) years from the date of installation.

This warranty shall become null and void if the equipment is altered or repaired except by Goulds Water Technology or its authorized service center, misapplied, improperly installed or maintained or damaged by others in any way.

This warranty is Goulds Water Technology sole warranty. Goulds Water Technology makes no other warranty of any kind, express or implied; and all implied warranties of merchantability and fitness for a particular purpose which exceed this warranty are hereby disclaimed and excluded. Goulds Water Technology assumes no liability for loss of use or any direct, indirect or consequential damage of any kind resulting from the use or operation of this unit.

Warranty Claims shall be submitted only to Goulds Water Technology or its authorized service center.
